Dear Sir/Madam:

Re: British Columbia Financial Responsibility Certificate (BC Insurance Filing)

We have received the required documentation which allows us to grant you an insurance filing in British Columbia. Your BC Financial Responsibility Certificate number is **02419**.

You must quote this number:

- upon request at BC Weigh Scale stations for commercial vehicles travelling into British Columbia; or
- when purchasing a Non-Resident Commercial Vehicle Permit for any non-BC based licenced vehicles which are registered in the name presented above, without having to obtain BC liability insurance; or
- when making an application for a Non-Resident Vehicle Permit (students or military personnel-in-training).

This filing is not valid for the purchase of BC plates 'insurance exempt' nor does it exempt you from paying fuel tax, licence/permit fees or from obtaining any Motor Carrier Authority you may require.

This filing will remain in effect until we receive a notice of cancellation from your insurance company.

Yours truly,

Charito Mackay
Manager
Specialty Licensing/Insurance
