Transport Inc.

Your Direct Connection Between the US and Canada

Established in 1975. Canada has been providing Quality, Professional, and Friendly carrier service for over 36 years.

Company Profile

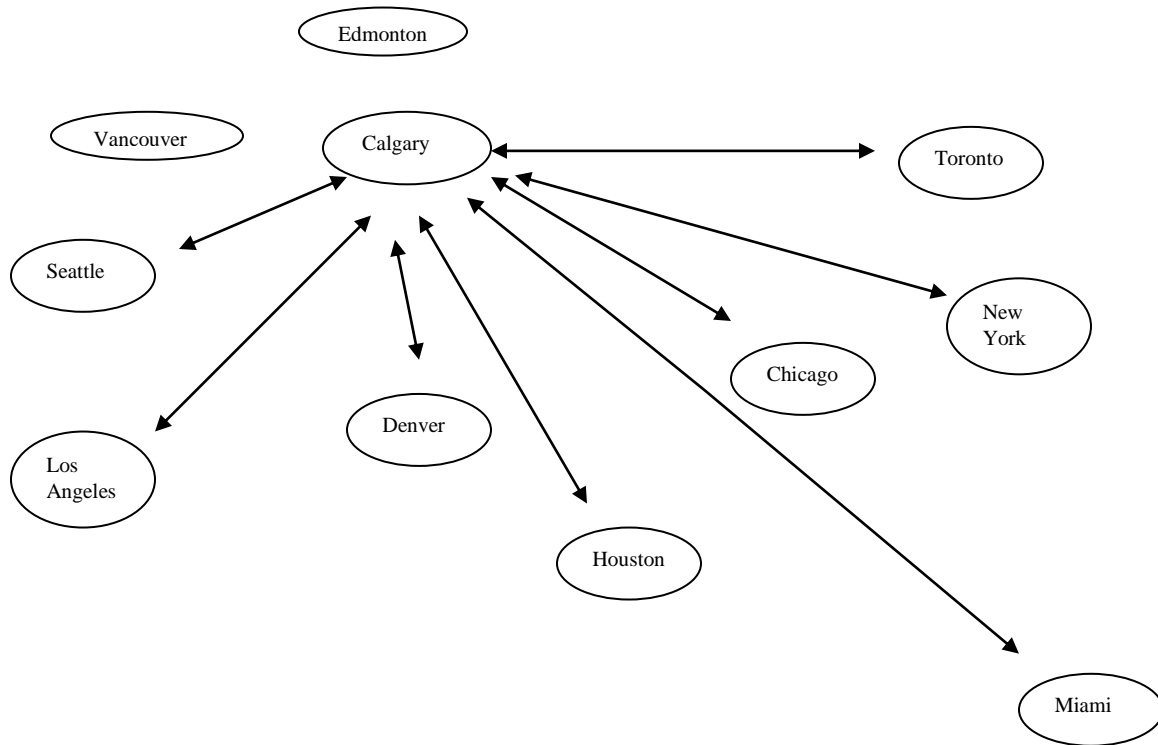

Canada Transport is an established company providing quality LTL and Full Load carrier service throughout North America since 1975. This is a long-term commitment to excellence and quality of service for our clients, each with their specific needs. To satisfy the needs of our clients, we choose, experienced professional drivers to represent Canada. Canada is committed to its clients. We strive to provide the best service, by maintaining a medium size fleet, we remain competitive with very large carriers, without compromising personal service. From the dispatcher who provides the rates, and books the loads, to the driver transporting the freight, and representing our clients when making deliveries. All of us at Canada are here for your transportation needs.

Services

Here at Canada we provide two specialized transport services. LTL (Less Than full Load) and Full Load. All units are bonded and licensed to haul everything from dangerous goods, and hazardous materials, engines and parts, to fruits and vegetables, plus everything else in between. Our Service area is eight Canadian provinces and 48 Continental United States. We are satellite equipped to maintain a direct link to all of our drivers enabling real time tracking and customer Internet tracing of your shipments. Canada Transport Inc. is a Canadian / United States Bonded carrier, which allows us to haul, bonded shipments across the Continent. Being Bonded means we pre arrange border crossing for our drivers to minimize delays at the borders. In addition to Canada Dry Van, Heater, and Reefer services, we also offer a variety of services. These services include all Flat Deck loads, Rail loads, Oversea loads and all the odd ball locations that you might pull you hair out trying to find service to. We at Canada Transport are always dedicated to serving you better and making sure that all your needs will be and have been met.

Regular Weekly LTL Departures To And From All Major Centers

Here are examples of a few of the cities that we service.

We also provide outstanding transportation value between Toronto and Western Canada. From expedited LTL service to large mark LTL and TL cost conscious options.
